Dr. Cross's Retirement

Dear patients,

We hope this letter finds you well. At Cross Eye Centers, our commitment to providing exceptional eye care has always been our top priority. It is in this spirit that we would like to share some important news regarding upcoming transitions within our practice that will take place over the next few months.

Firstly, it is with mixed emotions that **we announce the retirement of our beloved founder Dr. Warren Cross, effective July 1, 2024.** Dr. Cross has dedicated his career to serving the community and providing unparalleled care to our patients. While we will greatly miss his presence, we are excited for him as he embarks on this new chapter.

Dr. Cross has made numerous contributions to the field of ophthalmology, being one of the pioneers of modern cataract surgery (phacoemulsification), an original investigator for multiple commonly used eye drops, and a leader in refractive surgery from radial keratotomy to LASIK.

It has been Dr. Cross's greatest pleasure to take care of the Houston community for the past ~50 years and he thanks you all for trusting him with your eye care needs.

Dr. Cross has worked closely with Dr. Bhat over the past 4 years and has the utmost faith that Dr. Bhat will continue to provide excellent care to all the wonderful patients of Cross Eye Centers at his new practice, Modern Eye.

Information about Modern Eye Vision and Surgery

Dr. Amar Bhat will soon start seeing patients at his new practice, **Modern Eye**, at locations near Cross Eye Centers.

A board-certified, fellowship-trained cornea specialist, Dr. Bhat has authored textbook chapters and multiple peer-reviewed journal articles. His exceptional skills have earned him numerous accolades, including being named to the Texas Top Ophthalmologists list during his tenure at Cross Eye Centers.

Dr. Bhat is happy to provide comprehensive eye care to our patients. He can perform routine exams, cataract surgery, LASIK, PRK, EVO-ICL implantation, corneal transplants, and pterygium surgery.

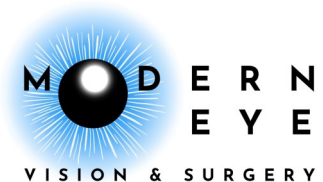

Dr. Jenell Jackson and Dr. John Stokes, our current board-certified and fellowship-trained oculoplastics and retina surgeons respectively, are thrilled to join Dr. Bhat at Modern Eye.

We are committed to ensuring a seamless transition for all our patients. We understand that you may have questions or concerns about these changes. **For now, you can continue to reach us for appointments at Cross Eye Centers' current phone numbers (see above).** We look forward to seeing you soon!

Sincerely,

The Team at

Cross Eye Centers

All of Dr. Bhat's electronic patient records will be transferred to Modern Eye to allow for the continuity of care for our patients, but you may request that records be sent to any provider of your choice.
